ASPHALTING WORKS EARLY FEBRUARY 2012 FRANKSTON-DANDENONG ROAD TO BALLARTO ROAD, CARRUM DOWNS

Dear Resident,

I'm pleased to report that Abigroup is making strong progress on Peninsula Link construction and we are now entering the asphaltting phase as we head towards completion in early 2013.

Asphaltting will commence on the northbound carriageway between Frankston-Dandenong Road and Ballarto Road, Carrum Downs in early February 2012. (Melway Ref: 100 B5-C6). One of the benefits of asphaltting the freeway surface is that it minimises the likelihood of dust coming from the worksite.

Asphaltting will be undertaken Monday to Friday between 6:00am and 7:00pm and on Saturdays between 7:00am and 7:00pm.

During these activities some noise, vibration and odour may occur. However, all asphaltting works comply with health-based environmental standards and have no risk to the community or the environment. If you experience any issues as a result of these works, we encourage you to contact our 24-hour community line on 1300 453 035.

While every effort is made to ensure accuracy of information presented in this notice, the timing of construction activities is subject to weather conditions and program constraints.

We thank you for your patience during these essential works. If you would like further information about any construction work associated with Peninsula Link please phone our 24-hour hotline on 1300 453 035 or contact@peninsulalink.com.au.

Kind regards,

Carol Bartley
Stakeholder Engagement Manager
