

Peninsula Link

Temporary Road Closure and Night Works

Baxter Tooradin Road, Baxter

As part of Peninsula Link construction, Abigroup Contractors wish to advise that out of hours works are scheduled in your area on the following dates:

Full road closure:

Sunday 27 March, 2011 6pm to 7am

Single lane road closure:

Monday 28 March, 2011 6pm to 7am

Tuesday 29 March, 2011 6pm to 7am

Wednesday 30 March, 2011 6pm to 7am

These traffic control measures are required so we can construct a haul road crossing at Baxter-Tooradin Road, including strengthening of the road pavement at the crossing point. To ensure the safety of motorists, workers and the public, and to minimise day time traffic disruptions, **Baxter-Tooradin Road will be closed for one night from 6pm Sunday 27 March for up to 12 hours**. A further three nights of single lane operation will also be required operating from 28 to 30 March, 2011.

Baxter-Tooradin Road will be closed from Stotts Lane to Olstead Drive and traffic will be detoured via Frankston-Flinders Road and Hawkins Road. Local access will be provided. Please see detour map overleaf.

Please be aware of these changed traffic conditions and drive safely.

As out of hours works may have impacts for surrounding residents, an action plan is in place to minimise construction impacts such as machinery noise and vibration. These activities will be closely monitored.

While every effort is made to ensure accuracy of information presented in this notice, the timing of construction activities is subject to weather conditions and program constraints.

If you would like further information about any construction work associated with Peninsula Link please phone our 24-hour hotline on 1300 453 035 or contact@peninsulalink.com.au.

We thank the community for its patience during these essential works.

Kind regards

Carol Bartley
Stakeholder Engagement Manager
